PQ 2	Mr Geeson, Hereford	As the City Link Road between Edgar Street /Commercial Road nears completion can the Cabinet member confirm there have been recent and comprehensive traffic surveys at either end of the new road and along Newmarket Street / Blue School Street so good quality data is available on traffic flows before the Link Road and thus further surveys can be undertaken to demonstrate the effect of the new road once opened? MQ 1	Councillor RI Matthews	At full council on May 19 it was noted that certain financial responsibilities had been delegated to Hoople Ltd, a public registered business financed by taxpayers in Herefordshire. The company's accounts to March 2016 showed losses of £1.396M and decreased turnover of 8%. I asked the leader to arrange an urgent review of responsibilities for monitoring this publicly-owned business. Can the Leader inform Council what action he has taken?	Leader of the council
MQ 2	Councillor ACR Chappell	The cabinet member, Chief Executive and relevant Director are members of the university project board. There is only one elected member, drawn from the executive. Cabinet will receive reports from the board and the £300K loan from council requires reports to audit committee. Will the Leader ensure that one non-executive member is appointed to the board and a standing item exists at general scrutiny and Council providing scrutiny and accountability?	Leader of the council
