#### Notes

#### A **Key decisions are defined as:-**

- (a) Any decision in relation to an executive function which results in the council incurring expenditure which is, or the making of savings which are, significant having regard to

the council's budget for the service or function concerned. A threshold of £500,000 is regarded as significant.

- (b) Any other decision which in the opinion of the monitoring officer is likely to be significant in terms of its effect on:
- two or more wards or electoral divisions
  - one ward (unless the number of those affected is very small or it is impractical to treat this as a key decision)

and having regard to:

- the strategic nature of the decision
  - whether the outcome will have an impact, for a better or worse, on the amenity of the community or quality of service provided by the authority to a significant number of people living or working in the locality affected.
- (c) Any substantive decision made by the cabinet to bring forward proposals to council to amend the policy framework (not being subject to call-in).
- (d) Any substantive decision made by the cabinet to amend the policy framework where council has granted the cabinet power to do so (being subject to call-in).

**B Expected exemption class:-**

- a) For items identified as 'exempt', it is anticipated that the report will contain exempt (confidential) information. In these circumstances, notice is served in accordance with Part 2, Section 5(2) (Procedures prior to private meetings) of the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 that consideration of this item may take place in private because the report may contain exempt information if and so long as in all the circumstances of the case, the public interest in maintaining the exemption outweighs the public interest in disclosing the information.

**C Background Papers are defined as:-**

Those documents (not including draft documents) other than published works, that:

- a. relate to the subject matter of the report or, as the case may be, the part of the report; and
- b. in the opinion of the proper officer:
- (i) disclose any facts or matters on which the report or an important part of the report is based; and
  - (ii) were relied on to a material extent in preparing the report.
