(a) Any decision in relation to an executive function which results in the council incurring expenditure which is, or the making of savings which are, significant having regard to the council's budget for the service or function concerned. A threshold of £500,000 is regarded as significant.

(b) Any other decision which in the opinion of the monitoring officer is likely to be significant in terms of its effect on:

- two or more wards or electoral divisions
- one ward (unless the number of those affected is very small or it is impractical to treat this as a key decision)

and having regard to:

- the strategic nature of the decision
- whether the outcome will have an impact, for a better or worse, on the amenity of the community or quality of service provided by the authority to a significant number of people living or working in the locality affected.

(c) Any substantive decision made by the cabinet to bring forward proposals to council to amend the policy framework (not being subject to call-in).
