Date of Decision:	9 March 2017
Exempt:	No
Confidential	No
This is a key decision because it is likely to be significant in terms of its effect on communities living or working in an area comprising one or more wards in the county.	
A notice was served in accordance with Part 3, Section 9 (Publicity in connection with key decisions) of The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012.	
Urgency/Special Urgency: (As defined in Constitution)	No
Purpose:	To approve the following documents: market position statement 2017-2020, director of public health annual report 2016, adult social care local account 2016, and the new adults wellbeing and public health plans 2017-2020.
Decision:	<p>THAT:</p> <p>(a) the following be approved for publication:</p> <ul style="list-style-type: none"> • annual report of the director of public health 2016 (at appendix 3) • adult social care local account 2015/2016 (at appendix 2) • market position statement 2017/20 (at appendix 5) <p>(b) the following plans be approved and used to guide resource allocation over the period 2017/2020:</p> <ul style="list-style-type: none"> • adults wellbeing plan 2017/20 (at appendix 1) • public health plan 2017/18 (at appendix 4)
Reasons for the Decision:	<p>To meet statutory or government requirements, it is necessary to publish the DPH annual report, local account and market position statement.</p> <p>To provide transparency about the way in which council resources for adult wellbeing and public health will be prioritised in the period to March 2020 in order to achieve the corporate plan and health and wellbeing strategy priorities.</p>
Options Considered:	There are no alternative options to receiving and publishing the annual report of the director of public health (DPH) or to publishing a market position statement as these are statutory requirements. It is a government requirement to

	<p>publish a local account of adult social care.</p> <p>There is no requirement to produce an adults wellbeing plan or a public health plan, and if such plans are produced the content may be varied by cabinet. However, in doing so, regard should be had to the resource available, and the evidence of need, to ensure that the council can achieve its corporate plan ambitions.</p>
