NOTES

Guidance issued under section 182 of the Licensing Act 2003, Section S18(7)

Relevant, vexatious and frivolous representations

5.73 A representation would only be “relevant” if it relates to the likely effect of the grant of the licence on the promotion of at least one of the licensing objectives....

5.75 It is for the licensing authority to determine on its merits whether any representation by an interested party is frivolous or vexatious....

The licensing authority must determine this and make the decision on the basis of what might ordinarily be considered to be vexatious or frivolous. Vexation may arise because of disputes between rival businesses and local knowledge will therefore be invaluable in considering such matters. Frivolous representations would be essentially categorised by a lack of seriousness....
