<p>3. DECLARATIONS OF INTEREST</p> <p>To receive any declarations of interest by Members in respect of items on the Agenda.</p> <p>GUIDANCE ON DECLARING PERSONAL AND PREJUDICIAL INTERESTS AT MEETINGS</p> <p>The Council's Members' Code of Conduct requires Councillors to declare against an Agenda item(s) the nature of an interest and whether the interest is personal or prejudicial. Councillors have to decide first whether or not they have a personal interest in the matter under discussion. They will then have to decide whether that personal interest is also prejudicial.</p> <p>A personal interest is an interest that affects the Councillor more than most other people in the area. People in the area include those who live, work or have property in the area of the Council. Councillors will also have a personal interest if their partner, relative or a close friend, or an organisation that they or the member works for, is affected more than other people in the area. If they do have a personal interest, they must declare it but can stay and take part and vote in the meeting.</p> <p>Whether an interest is prejudicial is a matter of judgement for each Councillor. What Councillors have to do is ask themselves whether a member of the public – if he or she knew all the facts – would think that the Councillor's interest was so important that their decision would be affected by it. If a Councillor has a prejudicial interest then they must declare what that interest is and leave the meeting room.</p>

120. MINUTES

RESOLVED: That the Minutes of the meeting held on 16th March, 2009 be approved as a correct record and signed by the Chairman.

**121. HIGHWAYS ACT 1980, SECTION 119. PROPOSED PUBLIC PATH DIVERSION
ORDER FOOTPATH ZK8 (PART) ROSS-ON-WYE**

The Assistant Rights of Way Officer presented a report about an application for a Diversion Order under the provisions of Section 119 of the Highways Act 1980 in respect of part of Footpath ZK8 Ross-on-Wye. She said that the Council had made the application to rectify a slight error in the alignment of the path which was made when the adjoining caravan site was set out. She advised that pre-order consultation with interested parties, local ward members and the town council had led to general agreement about the proposal which met all the necessary criteria for a footpath to be diverted in that it:

- benefited the owner of the land crossed by the existing path;
- did not alter the points of termination of the path; and
- was not substantially less convenient to the public.

The Committee was in favour of the proposal and agreed with the course of action suggested by the Assistant Rights of Way Officer that the Diversion Order should be made.

RESOLVED:

that a Public Path Diversion Order be made under Section 119 of the Highways Act 1980 in respect of Footpath ZK8, Ross-on-Wye as illustrated on drawing number: D393/327-8.

122. PROCEDURAL ARRANGEMENTS

The Committee noted the procedural arrangements for the following items to ensure that Officers and applicants received a fair hearing.

123. APPLICATIONS TO RE-INSTATE AN EXPIRED HACKNEY CARRIAGE VEHICLE LICENCE OUTSIDE STANDARD CONDITION 9.5 BY LINDSAY OAKLEY-DAVIES

The Acting Regulatory Services Manager introduced the report of the Head of Environmental Health and Trading Standards about an application from Mr L Oakley-Davies to renew a private hire vehicle licence after the date on which it had expired.

Mr Oakley-Davies said that he purchased the vehicle from another Operator on 10th March 2009. Prior to this date the Licensing Team had written to the previous owner to indicate that the licence would expire on 7th March, 2009 and had also sent a reminder to him. Mr Oakley-Davies said that he had not become aware of the situation until after the licence had expired, but that as soon as he had become aware, he had immediately taken steps to renew the licence.

Having considered the circumstances regarding the application, the Committee noted that Mr Oakley-Davies was establishing a new business and that the previous owner had not notified him about the licence expiry date. The Committee decided that in view of the circumstances and the fact that the application for renewal was only a few days late, the licence could be renewed.

RESOLVED THAT:

an application from Mr L Oakley-Davies to deviate from the Council's standard condition number 9.5, regarding Private Hire licence No. P017 in respect of Ford Transit Minibus M786 BAH, be granted.

124. APPLICATIONS TO RE-INSTATE AN EXPIRED HACKNEY CARRIAGE VEHICLE LICENCE OUTSIDE STANDARD CONDITION 9.5 BY LESLIE KNAPMAN

The Acting Regulatory Services Manager introduced the report of the Head of Environmental Health and Trading Standards about an application from Mr LR Knapman for the re-instatement of an expired private hire vehicle licence outside standard condition 9.5. Full details of the application appeared before the Committee in the agenda. Mr Knapman was not present at the meeting and the Chairman therefore proposed that consideration of the application should therefore be deferred until the next meeting. Councillor PGH Cutter, Mr Knapman's Local Ward Councillor, said that Mr Knapman had contacted him about the matter. Although Councillor Cutter did not condone Mr Knapman's delay in applying to renew, he said that he was happy for the application to be granted.

The Acting Regulatory Services Manager said that license for a Peugeot 406 (Licence Plate No. P009) had expired on 22nd February 2009 and that reminders had been sent to Mr Knapman on 29th January and 12th February. Mr Knapman had also failed to renew the same licence in 2008 until June of that year. Having carefully considered the matter, the Committee decided that provided that Mr Knapman gave a satisfactory explanation as to why he had not applied to renew the

licence, the Acting Regulatory Services Manager be authorised to determine the application in consultation with the Chairman in respect of the period leading up to the next meeting.

RESOLVED THAT:

the Acting Regulatory Services Manager be authorised to determine the application from Mr Knapman to deviate from standard condition number 9.5, for the renewal of private hire vehicle licence No P009 in respect of Peugeot 406 registration number KM53 CFG, in consultation with the Chairman, for the period leading up to the next meeting of the Committee, provided that Mr Knapman gives a satisfactory explanation of the reason for delaying his application

EXCLUSION OF THE PUBLIC AND PRESS

In the opinion of the Proper Officer, the following items will not be, or are likely not to be, open to the public and press at the time they are considered.

RESOLVED: that under section 100(A)(4) of the Local Government Act 1972, the public be excluded from the meeting for the following items of business on the grounds that they involve the likely disclosure of exempt information as defined in Schedule 12(A) of the Act, as indicated below.

125. APPLICATION FOR A DUAL HACKNEY CARRIAGE & PRIVATE HIRE DRIVER LICENCE - LOCAL GOVERNMENT (MISCELLANEOUS PROVISIONS) ACT 1976

With reference to agenda item No. 9 the Committee noted that an applicant for a dual Hackney Carriage/Private Hire driver's licence was not present at the meeting, and that consideration of the application had been deferred at the previous meeting for the same reason. It was therefore decided to defer the matter again but that if the applicant did not attend, the application would be refused.

126. APPLICATION FOR A DUAL HACKNEY CARRIAGE & PRIVATE HIRE DRIVER LICENCE - LOCAL GOVERNMENT (MISCELLANEOUS PROVISIONS) ACT 1976

With reference to agenda item No. 10 the Committee noted that an applicant for a dual Hackney Carriage/Private Hire driver's licence was not present and it was therefore decided to defer consideration of the application until the next meeting.

127. INCIDENT INVOLVING A DUAL HACKNEY CARRIAGE & PRIVATE HIRE DRIVER LICENCE HOLDER - LOCAL GOVERNMENT (MISCELLANEOUS PROVISIONS) ACT 1976

The Acting Regulatory Services Manager referred to agenda item No. 11 and provided the Committee with the circumstances which had given rise to the need for an incident involving a dual Hackney Carriage/Private Hire driver's licence to be referred to the Committee. The partner of the licence holder provided the Committee with details of the circumstances which had given rise to the incident and said that it was purely a domestic matter, out of character, and totally unrelated to the work as a driver.

Having considered all of the facts put forward about the incident, the Committee

decided that the licence holder had continued to be a fit and proper person under the meaning of the Local Government (Miscellaneous Provisions) Act 1976 and could remain as a Hackney Carriage/Private Hire driver.

128. APPLICATION FOR A DUAL HACKNEY CARRIAGE & PRIVATE HIRE DRIVER LICENCE - LOCAL GOVERNMENT (MISCELLANEOUS PROVISIONS) ACT 1976

With reference to agenda item No. 12 the Committee noted that an applicant for a dual Hackney Carriage/Private Hire driver's licence was not present and it was therefore decided to defer consideration of the application until the next meeting.

129. MATTER REGARDING A HACKNEY CARRIAGE & PRIVATE HIRE DRIVER - LOCAL GOVERNMENT (MISCELLANEOUS PROVISIONS) ACT 1976

The Acting Regulatory Services Manager referred to agenda item No. 13 and provided the Committee with the circumstances which had given rise to the need to suspend a dual Hackney Carriage/Private Hire driver's licence. The Committee endorsed the approach that had been taken.

130. APPLICATION FOR A DUAL HACKNEY CARRIAGE & PRIVATE HIRE DRIVER LICENCE - LOCAL GOVERNMENT (MISCELLANEOUS PROVISIONS) ACT 1976

The Acting Regulatory Services Manager referred to agenda item No. 14 and provided the Committee with the circumstances which had given rise to the need for an application for a dual Hackney Carriage/Private Hire driver's licence being referred to the Committee. The applicant provided the Committee with a letter which was read out and which set out the circumstances which had given rise to his convictions and explained the reasons why he felt that he should be allowed to become a licence holder.

Having considered all of the facts put forward by the Acting Regulatory Services Manager and the applicant, the Committee decided that the applicant was a fit and proper person under the meaning of the Local Government (Miscellaneous Provisions) Act 1976 and that he should be granted a Hackney Carriage/Private Hire driver's licence.

The meeting ended at 3.40 pm

8. The Committee can then reach a decision in the usual way, but in the absence of parties.

**APPLICATION TO RE-INSTATE AN EXPIRED PRIVATE
HIRE VEHICLE LICENCE OUTSIDE STANDARD
CONDITION 9.5 BY LESLIE KNAPMAN****REPORT BY: Head of Environmental Health and
Trading Standards****Purpose**

1. The report introduces an application made by Mr Knapman to deviate from the standard condition number 9.5. This condition states that: -

'All applications received after the date of expiry will be treated as grants and not renewals and the appropriate conditions and fees will apply'.

Legal Background

2. Under the terms of the Town Police Clauses Act 1847 and the Local Government (Miscellaneous Provisions) Act 1976 local authorities may make reasonable conditions for the regulation of both hackney carriages and private hire vehicles, drivers and operators.
3. The current standard licence conditions were approved at the Regulatory Committee on the 18th December 2007.

Issues

4. This Authority previously licensed a Peugeot 406 registration number KM53 CFJ on Plate No. P009 which was first registered on 1.1.2004.
5. On 29th January and 12th February 2009 the Licensing Team wrote to Mr Knapman advising him that this vehicle plate would expire on 22nd February 2009. There is no mandatory requirement for the Licensing Team to do this.
6. No application was received from Mr Knapman and accordingly the plate expired on 22nd February 2009.
7. On 13th March 2009 (21 days after expiry) an application was received from Mr Knapman to licence the vehicle (Appendix 2 – Background Papers).
8. As this application is outside the standard conditions there is no devolved power for the Licensing Officer to deal with this application.
9. Following consultation with the Chairman of the Regulatory Committee, Mr Knapman was granted the licence until the 7th April 2009 to allow the Committee to make a decision regarding this matter. However, Mr Knapman did not attend the Committee on the 7th April and the plate therefore granted expired at midnight on 7th April 2009.
10. Following investigation by the Licensing Team, it is apparent that Mr Knapman was under the impression that there was no need for him to attend the Committee and therefore the plate was extended to midnight on 11th May so that he had one further

chance to attend. The matter was therefore deferred to this Committee for its consideration.

11. The application requests to licence this vehicle.

Matter for Committee

12. In light of this the licence has not been granted but instead referred to this Regulatory Committee for consideration and determination as to whether or not the plate should be issued.

Options

It is for the Regulatory Committee to decide whether the vehicle licence: -

- **Can be granted outside of the standard conditions and or policy.**
- **Cannot be granted and the licence be refused.**
- **Should be deferred in order to get more information.**
- **Or reach some other decision.**

Dear Cllr Jones,

This driver has tried to renew his plate 13 days late, as he did not MOT it until 2 days after the expiry date and it then it failed 3 times. Cllr Phil Cutter has asked if we could still waiver his lateness and issue a temporary plate (like we do if only 7 days late) as he will lose his living until Reg Committee on 7th April when it will probably be ratified.

I sit either way on this, but because it is over 7 days I feel the decision ought to be made at Councillor level.

If we say yes, be reassured that there will be no lapse in public safety and he will still learn to manage his business affairs better as he will have to pay £150 to have the pleasure of being interrogated by your good selves!

What would you like us to do?

**MR BAIRKDAR - APPLICATION TO CHANGE
HACKNEY CARRIAGE VEHICLE OUTSIDE STANDARD
CONDITION 20.1 & 20.2 and REGULATORY
COMMITTEE RESOLUTION.**

**REPORT BY: Head of Environmental Health and
Trading Standards**

Purpose

1. The report introduces an application made by Mr Bairkdar to change a vehicle on plate. Condition 20 states: -

20.0 WHEELCHAIR ACCESSIBLE VEHICLES

- 20.1 These are in addition to all other conditions and apply to wheelchair accessible vehicles.*

(a) Vehicles offered for approval must be constructed in accordance with M/M1

*(b) Every new type of wheelchair accessible vehicle must comply in all respects with the following requirements: -
Motor Vehicle (Type Approval) Regulations 1980
Motor Vehicle (Type Approval) Regulations (Great Britain) 1984*

*And when in use with the following: -
Road Vehicle (Construction and Use) Regulations 1986 (C&U).*

- 20.2 When offered for approval the vehicle must comply with British and European Vehicle Regulations and by type approved to the requirements of the M or M1 category of European Whole Type Approval 70/156/EEC as amended. Those vehicles (e.g. van conversions) which have not been 'type approved' to M or M1 Categories must be presented with approved certification that the specific vehicle meets the requirements of one of those (i.e. M or M1) categories. Most registration certificates issued since late 1998 should indicate the approval status of the vehicle.*

At the meeting of the Regulatory Committee on 15th July 2008 it was agreed that the Council would normally approve wheelchair access vehicles for hackney or private hire *only* if they met the following criteria:-

- i. The manufacturer must have a vehicle prototype that has passed the 'VOSA –SVA Single Vehicle Approval Standard Test', including class D (disabled) and class P (for import),

or

- ii. The manufacturer must prove to the Council that its vehicle has relevant safety standards and is able to demonstrate consistent manufacture to that standard

The Committee will recall that they subsequently approved a number of manufacturers / converters in respect of wheelchair access vehicles.

Legal Background

2. Under the terms of the Town Police Clauses Act 1847 and the Local Government (Miscellaneous Provisions) Act 1976 local authorities may make reasonable conditions for the regulation of both hackney carriages and private hire vehicles, drivers and operators.
3. The current standard licence conditions were approved at Regulatory Committee on the 18th December 2007.

Issues

4. Mr Bairkdar made an application for a change of vehicle on plate on 14th March 2009. The application contains a request for a vehicle which does not comply with the standard conditions and policy of Herefordshire Council.
5. This authority currently licences a Blue Citroen motor car on plate P406.
6. Mr Bairkdar purchased this vehicle from the previous owner and is now trying to upgrade the vehicle.
7. He has applied to transfer the plate to a Renault Master Van. This vehicle is shown on the registration certificate as being in category **N1**, i.e. originally a panel van.
8. The vehicle is a wheelchair accessible vehicle and no evidence has been produced to confirm that the vehicle has been converted by an approved manufacturer.
9. All drivers and vehicle proprietors have been supplied with a copy of the current conditions and were also advised of the policy set in the meeting of 15th July 2008. This information was therefore sent to Mr Bairkdar.
10. In light of this application the licence has not been issued, but instead referred to this Regulatory Committee for consideration and determination whether to licence this vehicle outside of the Council's approved standard conditions.

Options

It is for the Regulatory Committee to decide whether the vehicle licence: -

- Can be granted outside of the standard conditions and or policy.
- Cannot be granted and the licence be refused.
- Defer the decision in order to get more information.
- or reach some other decision.
