

HEREFORDSHIRE COUNCIL FORWARD PLAN

This document, known as the Forward Plan, sets out the decisions which are expected to be taken during the period covered by the Plan by either Cabinet as a whole, or by individual Cabinet Members. The Plan is updated regularly and is available on the Herefordshire Council website (www.herefordshire.gov.uk) and from Council Offices. This edition supersedes all previous editions.

The council must give at least 28 days' notice of key decisions to be taken. A key decision is one which results in the council incurring expenditure or making savings of £500,000 or more, and/or is likely to be significant in terms of the strategic nature of the decision or its impact, for better or worse, on the amenity of the community or quality of service provided by the council to a significant number of people living or working in the locality affected.

Occasionally it will be necessary to exempt part or all of a decision report from publication due to the nature of the decision, for example if it relates to the commercial or business affairs of the council. Other documents may be submitted in advance of the decision being taken and will also be published on the website unless exempt.

<p>Herefordshire Parking Strategy 2026 - 2041</p> <p>The purpose of this report is to seek Cabinet approval for the adoption of a new Parking Strategy for Herefordshire. This report presents the new Parking Strategy, which sets out the Council's long-term vision, principles and priorities for parking across Herefordshire. The strategy is intended to guide decision-making, investment, and operational practice for both on-street and off-street parking, ensuring that parking plays a supportive role within the wider transport network rather than operating in isolation.</p> <p>The strategy has been developed to align with the Local Transport Plan, the Council Plan and other relevant corporate and place-based priorities. It recognises the role parking plays in supporting town centres, tourism, freight and servicing, enabling access for disabled users and residents, and creating safe and attractive public spaces. It also reflects the increasing importance of integrating parking with sustainable travel choices, technological innovation, and efficient asset management.</p>	<p>Cabinet 16 July 2026</p>	<p>Cabinet member roads and regulatory services</p> <p>Ffion Horton, Transport Planning Services Manager ffion.horton@herefordshire.gov.uk</p>	<p>Economy and Environment</p>	<p>1 May 2026</p>	<p>Non Key Open</p>
