

Our key commitments for 2009-11	What are the key actions we will take to achieve these	Completion date	Cabinet lead	Strategic lead	Progress
<b>September</b>					
Increase the number of bus journeys made compared to 2005-06	Secure planning permission for first permanent park and ride site and deliver it	Dec-09	Highways and Transportation	Director of Regeneration	Transportation Team is seeking to optimise the subsidised services to benefit most users, up to a point at which they may become commercially viable. The team is undertaking a comprehensive programme of publicity to ensure that users and potential users have high quality information on the available services.
	Secure continued operation by extension or re-tendering of bus service contracts to provide high quality services, with low floor buses, to attract and retain passengers	March 2010 & 2011			
	Provide comprehensive public transport information	March 2010 & 2011			
Construction of Model Farm employment units commenced and first units completed	Infrastructure servicing completed for first phase	Dec-09	Economic Development & Community Services	Director of Regeneration	The detailed design work has been commissioned and Arup predict that this will be completed in time to submit a planning application by Christmas. The work will give an idea of cost, and the Project Board meeting in November will be dedicated to discussing financing options. Spaceworks, the preferred supplier for the live work element, has been encouraged to submit a package under the Government's Kick Start programme. The outcome of proceeding to the next stage will be known in December. This will mean the bringing forward of the live work element if successful.
Construction of Retail Quarter commenced; on and off-site infrastructure commenced	Flood mitigation construction commenced	Apr-09	Highways & Transportation; Economic Development & Community Services	Director of Regeneration	The Flood Alleviation Scheme initial procurement stages have commenced and work is underway to progress the Link Road Scheme in accordance with the ESG programme, subject to planning permission and funding. A workshop has been held to consider the design solutions required for the down-grading of the Inner Ring Road.
	Delivery of vacant possession to developer	Jan-10			
	Link Road construction commenced	Mar-10			
	Commencement on site	Mar-10			

Our key commitments for 2009-11	What are the key actions we will take to achieve these	Completion date	Cabinet lead	Strategic lead	Progress
					<b>September</b>

Our key commitments for 2009-11	What are the key actions we will take to achieve these	Completion date	Cabinet lead	Strategic lead	Progress
Extend the refurbishment of Hereford City Centre	Complete the extended refurbishment work in city centre	Jul-09	Economic Development & Community Services	Director of Regeneration	<p style="text-align: center;"><b>September</b></p> <p>Widemarsh Street enhancement project is progressing well and on track for commencement on site in January 2010. Consultation has taken place with stakeholders and Cabinet Members regarding the design, which is currently out to tender.</p> <p>The public consultation has been finalised with support for redevelopment of the butter market. The cost for redevelopment range from £6m to £14m depending on the scale of improvement to the building. No funding is currently identified. However, some EU funds allocated to urban / city projects is currently underspending by 70% so there is potential that this funding stream will become available to second tier cities like Hereford. This should be confirmed by the end of the calendar year (50% match funding required).</p>
