Application for the review of a premises licence under section 53A of the Licensing Act 2003 (premises associated with serious crime or disorder)

PLEASE READ THE FOLLOWING INSTRUCTIONS FIRST

Before completing this form please read the guidance notes at the end of the form. If you are completing the form by hand please write legibly in block capitals. In all cases ensure that your answers are inside the boxes and written in black ink. **Use additional sheets if necessary.**

I Richard REES [on behalf of] the chief officer of police for the West Mercia police area apply for the review of a premises licence under section 53A of the Licensing Act 2003.

1. Premises details:

Postal address of premises, or if none or not known, ordnance survey map reference or description:

**Brewers Arms Public House
97 Eign Road**

Post town: Hereford

Post code (if known): **HR1 2RU**

2. Premises licence details:

Name of premises licence holder (if known): Sean David HARRISON and Steven Lloyd HARRISON

Number of premises licence holder (if known): PR00047

3. Certificate under section 53A(1)(b) of the Licensing Act 2003 [Please read guidance note 1]:

I confirm that a certificate has been given by a senior member of the police force for the police area above that in his opinion the above premises are associated with serious crime or disorder or both, and the certificate accompanies this application.

(Please tick the box to confirm)

4. Details of association of the above premises with serious crime, serious disorder or both:

[Please read guidance note 2]

The premises is a licensed public house, a short distance from Hereford city centre.

It is a well established business serving a wide cross section of the community.

In recent months there has been heightened tension between rival criminal motorcycle groups in the city. Two incidents of disorder and assault occurred in the last 3 months where weapons had been used to cause harm. These two matters did result in police investigations, however there is little or no co-operation between the victims and witnesses who are known associates of each group.

In order to provide public reassurance and support for the licensing trade, a process has been put in place to increase police visits to locations where it is known the groups congregate.

One of these locations is the Brewers Arms Public House.

At 0447hrs on Sunday 24 November 2013, a report was received from the ambulance service with regards to a 'serious stabbing' at the Brewers Arms. Officers attended and found a male victim being treated for a serious stomach wound that had been caused by a bladed weapon.

Near to the scene a male and female were found - both were arrested on suspicion of attempted murder. Both are known to be connected to the 'biker groups'.

This is an on going police investigation, but it can be stated that the incident occurred inside the licensed premises at about 0445hrs. At this time the premises should have been closed - as it is licensed for licensable activities up until 0200hrs. Police investigations has established that both the victim and the suspects had been drinking inside the premises at the time of the incident, in company of other members of the public. An argument took place between two males.

A third male got involved in an attempt to stop the argument, however this resulted in one of the others producing a knife and stabbing him in the stomach. This resulted in a serious injury. One of the other males was also assaulted with minor injuries.

It is the view of the police that the premises licence holders and the designated premises supervisor have failed to have regard to the operating hours of the premises and therefore have failed to promote the licensing objectives. It has been established that the DPS Sean Harrison on his own admission is not often at the premises and states he has no knowledge of after-hours drinking at the location.

The premises licence for the location is an 'old licence' which includes conditions which are no longer relevant for this location. However it does have a number of conditions that are relevant and quite clearly are not being complied with. The most relevant being the provision of CCTV to cover the main entrance/exit door. There is NO CCTV at the premises whatsoever.

The view of the police is that this is a serious assault involving disorder and the use of a bladed weapon and therefore a serious criminal matter which could result in a prison sentence of 3 years or more on first conviction.

The fact that the premises was open to customers at the time of the incident shows a disregard to the law through the operating conditions contained on the premises licence.

The DPS is one of the joint premises licence holders and both have shown a lack of control and management of the premises.

As indicate this is an on going police investigation.

The view of West Mercia Police is that the premises licence should be suspended until a full regulatory licensing hearing.

If however the view is not to suspend the premises licence the view of West Mercia Police is that interim steps should be taken to promote the licensing objectives.

The view of West Mercia Police is that -

1. The terminal hour of the premises should be reduced to no later than 2300hrs
2. CCTV should be provided to a standard agreed by both West Mercia Police and the Licensing Authority
3. That Sean Harrison should be removed as the designated premises supervisor
4. That a personal licence holder should be within the licensable area of the licensed premises at all times when licensable activities are undertaken.

However it is the strong view of West Mercia Police that interim steps should be taken by suspending the premises licence pending a full regulatory hearing.

Notes for guidance:

1. A certificate of the kind mentioned in the form must accompany the application in order for it to be valid under the terms of the Licensing Act 2003. The certificate must explicitly state the senior officer's opinion that the premises in question are associated with serious crime, serious disorder or both.

Serious crime is defined by reference to section 81 of the Regulation of Investigatory Powers Act 2000. In summary, it means:

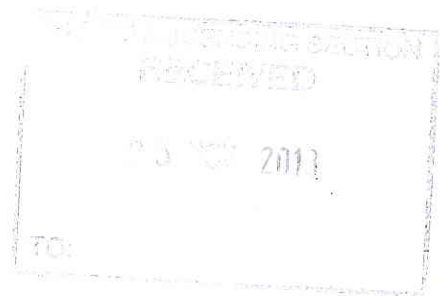

- conduct that amounts to one or more criminal offences for which a person who has attained the age of eighteen and has no previous convictions could reasonably be expected to be sentenced to imprisonment for a term of three years or more; or
- conduct that amounts to one or more criminal offences and involves the use of violence, results in substantial financial gain or is conduct by a large number of persons in pursuit of a common purpose.

Serious disorder is not defined in legislation, and so bears its ordinary English meaning.

2. Briefly describe the circumstances giving rise to the opinion that the above premises are associated with serious crime, serious disorder, or both.

ANNEX B

West Mercia Police
Herefordshire Territorial Policing Unit
Bath Street
Hereford. HR1 2HT

CERTIFICATE UNDER SECTION 53A(1)(b) OF THE LICENSING ACT 2003

I hereby certify that in my opinion the premises described below are associated with ~~serious crime / serious disorder~~ / both serious crime and serious disorder¹.

*Premises*²:

Brewers Arms Public House
97 mEign Road
Hereford. HR1 2RU

Premises licence number (if known): PR00047

Name of premises supervisor (if known): Sean David HARRISON

I am  Superintendent Ivan POWELL ³ in the West Mercia police force.

I am giving this certificate because I am of the opinion that other procedures under the Licensing Act are inappropriate in this case, because⁴:

This is a serious assault that took place on licensed premises.

The assault involved the use of a bladed weapon.

One side involved is known to be involved in criminal activity and is connected to organised criminal 'biker groups'.

There has been heightened tension between these groups.

¹ Delete as applicable.

² Include business name and address and any other relevant identifying details.

³ Insert rank of officer giving the certificate, which must be superintendent or above.

⁴ Give a brief description of why other procedures such as a standard review process are thought to be inappropriate, e.g. the degree of seriousness of the crime and/or disorder, the past history of compliance in relation to the premises concerned.

At the time of the incident the premises should have been closed, however it was open with customers.

The circumstances of the incident indicate a serious criminal offence and a lack of control and management by the joint premises licence holders and therefore all other procedures are in the opinion of West Mercia Police felt inappropriate.

Greg Snell
