**Subject:** changes to school transport cradley

dear sir, I would like to request detailed forecasts of the savings hereford council are going to make by these changes also how the consultation process evaluated the disruption of a childs education and the problems that will arise from this.

the mileage saved from cradley to dyson perrins is two miles per day ! also the funding per pupil £4000 each would be going to Worcestershire, this does not seem the most viable solution please reconsider.
