Section 18 of 19

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

This location is a remote, rural premises and at least a couple of hundred metres from any other premises not occupied by a member of staff or family. This makes maintaining public safety and the prevention of crime relatively easy. The premises is only open to invited people or people who are already residing on site. This means the nuisance is controlled and highly unlikely.

Training of all staff so that they are aware of the premise license and the requirements to meet the four licensing objectives BIIAB Level 1 to be undertaken by bar staff

Clear 'Challenge 25' information to prevent the supply of alcohol to under-age drinkers. Refusal of Sale Log to be kept

An Incident Log Book to be kept

First Aiders and Fire Wardens always on site

b) The prevention of crime and disorder

The licensed premises will be open only to people invited by the person or persons holding or representing the person holding the function or staying in the apartments. By restricting the people at a function in this manner crime and disorder is highly unlikely. By ensuring all staff working at the premises are trained to recognise intoxication and trained to diffuse conflict, disorder will be reduced to an intended level of 'no incidents'.

Having spoken with West Mercia Police they have confirmed that through the freedom of information, 'that there are NO incidents or crimes recorded in the area and there is no local 'Pub Watch' scheme operating in these areas.'

An 'Incident Log Book' will be kept and will be available to relevant authorities upon request.

Where issues of crime and disorder are suspected or identified then early liaison with West Mercia Police will be sought.

c) Public safety

The premises will only be open to the public who have been invited to the specific function or who are temporarily residing in one of the apartments. By the nature of the business and its rural location there is very limited risk to public safety. By ensuring a suitably experienced and trained member of staff is on site during open hours that person will ensure overall safety is provided.

Training and implementation of underage ID checks - Challenge 25

An 'Incident Log book' and 'Refusal of Sale Log Book' will be kept and will be available to relevant authorities upon request

All fixtures and fittings within the premises will be maintained at all times in good order and in a safe condition.

Members of staff are trained in First Aid and Fire Marshalling. First Aid kits are kept on site

d) The prevention of public nuisance

Continued from previous page...

From the licensed premises sound can carry along the valley. It is the intent of those running and supervising events at the premises that any noise nuisance be limited and that all sound equipment will be turned off within the limits of the license. It is unusual for guests at events to leave on foot and as such the potential for public nuisance when people leave is very unlikely.

Noise will be monitored throughout the event and a record kept and will be available to relevant authorities upon request. Notices will be displayed at the exit asking guests to leave the premises quietly and respect any nearby residents.

e) The protection of children from harm

Within the premises the sale of alcohol and consumption of alcohol by children will not be permitted. Staff will be encouraged to clarify the ages of any young person purchasing alcohol using the 'Challenge 25 Scheme'. Training to bar staff will be provided through the BIIAB level 1 course to be undertaken. Some members of staff have been trained in Child Safeguarding and this knowledge can be cascaded down to all staff. Due to the nature of the type of entertainment on site, the location and the use of the premises it is highly unlikely that any child would be unsupervised by a parent or guardian whilst on the premises. It is believed unlikely that a child or young person would be put at risk.

An 'Incident Log Book' will be kept on site and will be available to the relevant authorities upon request.
