Recommendation

THAT:

- (a) the external audit plan and associated fee for 2016/17, as set out in appendix a, be approved.

Alternative options

- 1 None, the proposed plan and fee is a statutory requirement.

Reasons for recommendations

- 2 For the committee to ensure that the council has effective statutory external audit arrangements in place for 2016/17 as required in the council's constitution.

Key considerations

- 3 The Council's external auditor is Grant Thornton, this appointment having been made under at a contract let by the Audit Commission. Following closure of the Audit Commission the contract is currently managed by Public Sector Audit Appointments Limited (PSAA), the transitional body set up by the LGA with delegated authority from the Secretary of State CLG. Over recent years the council has benefited from reduction in fees in the order of 50% compared with historic levels. The current transitional arrangements come to an end on 31 March 2018 when the Council will be able to move to local appointment of an external auditor.
- 4 Appendix A details Grant Thornton's proposed fee and outputs for external audit work to be completed in 2016/17. The proposed external audit fee for 2016/17 of £124k is based on the same scale fee applied in 2015/16 as proposed by the PSAA.
- 5 The scale fee covers the audit of the statement of accounts, value for money conclusion and review of the whole of government accounts.

Community impact

- 6 An efficient and effective audit service supports the council in demonstrating compliance with its code of corporate governance and its corporate plan priority to secure better services, quality of life and value for money

Equality duty

- 7 None.

Financial implications

- 8 Provision has been made in the 2016/7 budget to cover the proposed fee of £124k. The fee this excludes any additional work beyond that set out in the letter at appendix a.

Legal implications

- 9 The Local Audit and Accountability Act 2014 states that the accounts of a relevant authority for a financial year must be audited:
 - (a) in accordance with the Act and provision made under it, and
 - (b) by an auditor (a "local auditor") appointed in accordance with the Act or provision made under it.
- 10 A local auditor must, in carrying out the auditor's functions in relation to the accounts, comply with the code of audit practice applicable to the council that is for the time being in force. The current code of practice for UK Local Government is the Code of Audit Practice issued by the National Audit Office in April 2015.
- 11 The code requires under section 1.17 that the auditor should share and discuss their audit plan at an early stage with the audited body.

Risk management

- 12 The proposed fee is set independently and levied under our existing contract with Grant Thornton.

Consultees

- 13 None.
