

NOT PROTECTIVELY MARKED

West Mercia Police are in receipt of an application to vary the premises licence for a premises called **Chicken Munchies, Commercial Road, Hereford**. This premises is licensed for late night refreshment.

The application is to vary the existing hours - extending them until 0330hrs on all days and until 0430hrs for seasonal variations. In addition the application seeks to vary existing conditions with regards to the employment of SIA registered door supervisors by reducing the start time they will be engaged at the premises.

The applicant has identified that the location of the premises is within the cumulative impact zone (CIZ) which is a special policy within the licensing policy of Herefordshire Council. However from reviewing the application and taking into account the requirements of the guidance issued under Section 182 of the Licensing Act 2003, the applicant has not indicated how this application will not impact on the CIZ or what further appropriate steps the applicant will take to promote the licensing objectives.

Therefore at this stage the police object to the application as to grant it would undermine the licensing objectives
