

WRITTEN STATEMENT OF A NON-KEY OFFICER DECISION ECONOMY, COMMUNITIES & CORPORATE DIRECTORATE

ITEM:	Wifi at Museum Resources and Learning Centre
Officer Title:	Assistant Director Communities
Date of Decision:	23 September 2016
Purpose:	To approve provision of wifi in the Museum Resource and Learning Centre (MRLC).
Decision:	<p>THAT:</p> <p>(a) Wifi be provided in the Museum Resource and Learning Centre at an installation cost of £15,325;</p> <p>(b) Hoople Ltd are commissioned to conduct the work based on the specific provided.</p>
Reasons for the Decision:	To enable the wifi of key areas within the MRLC.
Consultation:	The services have confirmed the installation of wifi will be of benefit to their working practices and support the income generation targets.
Options Considered:	<p>That wifi is not installed at the MRLC due to cost. This would not be consistent with the approach in other corporate buildings and would reduce the services capacity to generate income through room hire / use relating to the savings plan in the cabinet report on 10 March 2016.</p> <p>That wifi is enabled throughout the MRLC. This is not recommended given the additional costs and building usage in those areas.</p>
Declaration of Interest:	N/A
