Chairman's Announcements

Eunice Saunders

I am sad to report the passing last month of Eunice Saunders MBE, a former member of Herefordshire Council. Eunice was a member of the Council when it was established in 1998 and served until 2003. Prior to her term of office with this Council Eunice had a long career in local government including at Ross and Whitchurch Rural District Council, South Herefordshire District Council (including being its first woman chairman) and Hereford and Worcester County Council.
