

Licensing Section,
Herefordshire Council,
8, St Owen Street,
Hereford,
HR1 2PJ.

For the attention of Mr. F. Spriggs

28th. April, 2017.

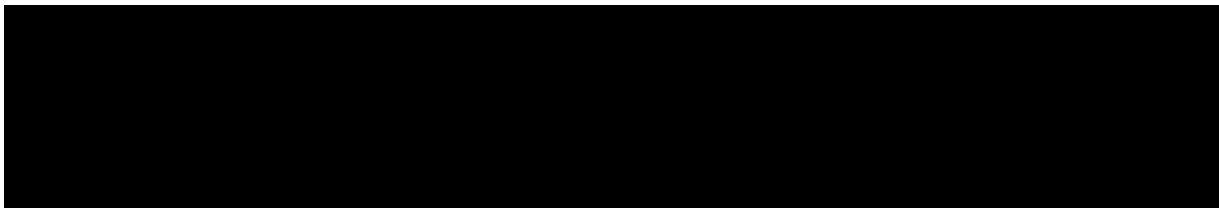

Dear Sir,

Re. Hereford Fish and Chips, 60 Commercial Road, Hereford, HR1 2DP.

I am writing to strongly object to the application of 19th. April, 2017 for the above business and its intended opening hours for trade to 4.00 a.m or 4.30 a.m. on Thursdays to Sundays inclusive and also on public holidays. I would also mention that, from existing experience, that the activity relating to this trading carries on past the agreed closing hours with removing customers, closing down, bagging up rubbish etc.

I have lost count of the number of objections I [redacted] have made involving Commercial Road businesses extending their trading hours and can only say that the amount of disruption in the early hours of certain days of the week is increasing to an unacceptable level.

[redacted] I feel particularly vulnerable and find it especially frightening when there is shouting outside and fights break out, as they often do, and then the police arrive with the flashing lights on their vehicles and carry out arrests.

Family and friends that have stayed overnight [redacted] can, and will, testify to the disruption already existing, without anything extra adding to it, and I can invite

councillors or council staff to come and stay [REDACTED] at weekends and experience for themselves what goes on.

One can only speculate that, if this state of affairs is allowed to continue without suitable restraints, eventually Commercial Road will be open for trade twenty four hours every day.

Yours faithfully,

[REDACTED]
