Subject: FW: Hereford Fish & Chips Hearing

I refer to the application to vary the premises licence for Dose Fish and Chip Shop, 60 Commercial Road, Hereford.

The initial submission from West Mercia Police with regards to this application was to object to it on the grounds that the applicant had failed to show how he would further promote the licensing objectives and how by granting this application the cumulative impact special policy would not be impacted on. The application was submitted by the applicant Mr Singh.

Since the initial police representations and since the end of the consultation period, the applicant has engaged an agent - Mr Nick Semper - to act on his behalf. Mr Semper had a meeting with Ps Duncan Reynolds on Monday 05 June 2017 to discuss this application.

As a consequence to this meeting the applicant has agreed to vary his application (see below) to reflect that the latest terminal hour will be 0400hrs and there will be no request for non standard times. In addition the meeting discussed what further steps could be taken by the applicant to promote the licensing objectives. The discussion also concerned the current conditions on the premises licence and after further reviewing these and taking into account the type of business and the explanation from Mr Semper, the view of West Mercia Police is that the current conditions attached to the premises licence are sufficient to promote the licensing objectives and not undermine the special policy if the variation application is granted as amended by the applicant.

As you are aware the matter is listed for a hearing on 07 June 2017, unfortunately due to late notification of this date, West Mercia Police are not able to attend to formally withdraw their objections and to explain the rationale behind it. Therefore please take this as formal notice that West Mercia Police formally withdraw their objections if the application is amended as indicated.

Regards

Jim Mooney (on behalf of Ps 3456 Reynolds)
Harm Reduction/Community Safety Dept.,
Licensing & Harm Reduction Coordinator,
Policing Unit - Herefordshire,
West Mercia Police.
