Alternative options

- 1 It is for the committee to determine its work programme to reflect the priorities facing Herefordshire. The committee needs to be selective and ensure that the work programme is focused, realistic and deliverable within existing resources.

Reasons for recommendations

- 2 The committee needs to develop a manageable work programme to ensure that scrutiny is focused, effective and produces clear outcomes.

Key considerations

Draft work programme

- 3 The work programme needs to focus on the key issues of concern and be manageable allowing for urgent items or matters that have been called-in.
- 4 Should committee members become aware of any issue they think should be considered by the Committee they are invited to discuss the matter with the Chairman and the statutory scrutiny officer.
- 5 The current draft work programme is attached at appendix 1.

Application to be a business rate pool pilot for 2018/19

- 6 Cabinet agreed on 26 October to authorise the the chief financial officer to submit an application for Herefordshire Council, together with Shropshire and Telford and Wrekin councils, to be a 100% business rate pool pilot area for 2018/19; and to request this committee, should the application be accepted, to consider the implications for Herefordshire of operating such a pool and to make any such recommendations as it feels appropriate to inform a further decision on participation. Successful pilots will be announced in December 2017 and launched in April 2018. The Committee is invited to consider this request.

Constitutional Matters

Task and Finish Groups

- 7 A scrutiny committee may appoint a task and finish group for any scrutiny activity within the committee's agreed work programme. A committee may determine to undertake a task and finish activity itself as a spotlight review where such an activity may be undertaken in a single session; the procedure rules relating to task and finish groups will apply in these circumstances.
- 8 The relevant scrutiny committee will approve the scope of the activity to be undertaken, the membership, chairman, timeframe, desired outcomes and what will not be included in the work. A task and finish group will be composed of a least 2 members of the committee, other councillors (nominees to be sought from group leaders) and may include, as appropriate, co-opted people with specialist knowledge or expertise to support the task. In appointing a chairman of a task and finish group

the committee will also determine, having regard to the advice of the council's monitoring officer and statutory scrutiny officer, whether the scope of the activity is such as to attract a special responsibility allowance.

- 9 The Committee is asked to determine any matters relating to the appointment of a task and finish group and the chairmanship and any special responsibility allowance or undertaking a spotlight review including co-option (see below).

Co-option

- 10 A scrutiny committee may co-opt a maximum of two non-voting people as and when required, for example for a particular meeting or to join a task and finish group. Any such co-optees will be agreed by the committee having reference to the agreed workplan and/or task and finish group membership.
- 11 The Committee is asked to consider whether it wishes to exercise this power in respect of any matters in the work programme.

Tracking of recommendations made by the committee

- 13 A schedule of recommendations made and action in response to date is attached at appendix 2.

Forward plan

- 14 The constitution states that scrutiny committees should consider the forward plan as the chief source of information regarding forthcoming key decisions. The current Forward plan is available to Members through the Councillors' handbook intranet site. Forthcoming key decisions are also available to the public under the forthcoming decisions link on the council's website:

Community impact

- 15 The topics selected for scrutiny should have regard to what matters to residents.

Equality duty

- 16 The topics selected need to have regard for equality and human rights issues.

Financial implications

- 17 The costs of the work of the committee will have to be met within existing resources. It should be noted the costs of running scrutiny will be subject to an assessment to support appropriate processes.

Legal implications

- 18 The council is required to deliver an overview and scrutiny function.

Risk management

- 19 There is a reputational risk to the council if the overview and scrutiny function does not operate effectively. The arrangements for the development of the work programme should help mitigate this risk.

Consultees

- 20 The Chairman and Statutory scrutiny officer meet on a regular basis to review the work programme.
