All suggested conditions shall be considered in line with the Herefordshire Council Licensing Policy, the Licensing Act 2003 and the Licensing Objectives.

<p><b>To Prevent Crime and Disorder</b></p> <ol style="list-style-type: none"> <li>1. The strengthening of conditions related to temporary conveniences and a requirement for security and stewards to properly manage customers in the immediate local area.</li> <li>2. Clarification of whether CCTV is fitted and covers the licensable area, if CCTV does not cover the licensable area, there should be clear justification of why. It is not possible to judge the coverage of CCTV from the information provided, I hope that more information is provided to the council.</li> </ol>
<p><b>Public Safety</b></p> <ol style="list-style-type: none"> <li>1. The requirement that the EMP be updated for each large event where the number of expected attendees or the nature of the event differs sufficiently to warrant it.</li> <li>2. The circumstances where a risk assessment for door staff should be undertaken to be made clearer within the licensing.</li> <li>3. Hopefully a member of my Parish Council will be invited to represent the local community on the SAG.</li> </ol>
<p><b>Prevent Public Nuisance</b></p> <ol style="list-style-type: none"> <li>1. The requirement that the TMP be updated for each large event, that no on-street parking may be used on the High Street or Mill Lane.</li> <li>2. An appropriate ceiling in the number of times the premises may use the extended hours (until 2.00am) in a set period of time. (such as two weekends a month) to provide a fair balance between the enjoyment of the area by the premises and residential neighbours.</li> <li>3. Where the premises intends to open until 2.00am on a Bank Holiday Sunday, then the premises should not open until 2.00am on either the preceding Friday or Saturday to allow neighbours one evening free of late night hubbub.</li> <li>4. The coverage of the parking area in full by sound recording CCTV if not already and the proper stewardship of the space during opening times. Night time lighting should be replaced with a motion sensitive model at an appropriately low wattage to discourage dwelling.</li> <li>5. I would further like to request that the car parking area should not be used as an extension of outdoor space and should not be used for any purpose related to the functioning of the premises other than car parking or fire assembly. If this is considered unreasonable, I would like to request that preparations and set downs for events and the like should not take place prior to 8am weekdays and Saturdays, with no noisy works on Sundays and bank holidays. I mean that, whilst a steam rally in Leintwardine as mentioned as a possibility would be fantastic, a steam engine shouldn't show up outside our home at 6am.</li> <li>6. The requirement that smoking be prevented at the rear patrons door to prevent nuisance to neighbours, that the requirement preventing uncovered drinks outside be more robustly enforced and that lighting in this area be replaced with motion sensitive models to discourage dwelling.</li> <li>7. That the venue be required through condition to inform neighbours within an appropriate radius of upcoming events, their size and their nature with an appropriate notice period (such as the 21 days). That record of notifications should be kept and provided to an appropriate council officer on demand.</li> <li>8. The ability to serve alcohol for such a prolonged period seems to me on duration alone to be inappropriate in the setting we find ourselves in, notwithstanding the fact that outdoor music may be played throughout much of this period.</li> <li>9. I would like to request that the height of speakers be conditioned so that they do not exceed the height of the retaining wall.</li> <li>10. It is preferable that the applicant be required to ensure the line is manned throughout the hours the premises is in operation to allow organisers to any respond to problems in real time.</li> </ol>
<p><b>Protect Children from Harm</b></p> <ol style="list-style-type: none"> <li>1. The rationale for operating a challenge 21 policy for large events and a challenge 25 policy in standard hours is unclear to me. The applicant may be able to explain this difference, in the absence of a reasonable explanation I would prefer to see a challenge</li> </ol>

21 policy in operation whenever alcohol is being served.

2. The proposed condition relating to lost children does not appear to provide staff with any appropriate level of training to recognise abuse or neglect. This policy should be reworded to reflect this, or such training should be provided to staff.
3. As a condition of license, the venue should be explicitly required to employ at least two members of staff with enhanced DBS for each large event in order to comply with proposed condition e3 (large events)
4. The applicant has noted that no adult entertainment will be held during standard hours. Adult entertainment could include but is not limited to: topless bar staff, strip tease, lap-table, pole dancing, performances including feigned violence or horrific incidents, feigned or actual sexual acts or fetishism, or entertainment involving strong and offensive language. This condition appears to have been omitted from the conditions proposed on large events, I hope due to an oversight. Could it be added?
