

Public rep 2

I am submitting my objections to the request for extending the licencing hours of the above premises. For the reasons mentioned in the attached forms.

Basically

1. Serving alcohol until 3am in the morning is ridiculous. It leads to crime and public nuisance. We have been on the receiving end of criminal damage and public urinations on our premises directly caused by late night drinking. I simply do not understand how the Licensing Authority continues to permit this to various premises in the town. **It is no wonder our police force is stretched the whole time.**
2. I am aware of a number of people in the vicinity who DO object to the late night noise. Perhaps they do not complain formally and it certainly doesn't help putting up notices such as this over the Christmas period – that reduces the democratic process of raising concerns
3. Clearly this premises does not appear to be covered by current Data Protection legislation – or at least I can't see it. This means that taking and keeping of the photos mentioned *could* be breaching the law that the rest of us abide by
