

Questions from councillors to Adults and Wellbeing Scrutiny Committee

25 January 2018

Question 1

Councillor MD Lloyd-Hayes, Aylestone Hill Ward

There has been a great deal of public consternation regarding the proposed closure of the Hillside Centre. There appear to be no emails from the parish liaison officer, the usual conduit for consultation with parishes, nor can I find any reference to it until latterly from the CCG or Wye Valley Trust. How were parish councils or members of the public able to engage if no public notice was issued?
