The cabinet members for health and wellbeing and young people and children’s wellbeing are asked to have regard to the committee’s concerns, particularly:</p> <ul style="list-style-type: none"> <li>- i) The reported lack of consultation concerning safeguarding arrangements and engagement</li> </ul>	<p>Response to concerns:</p> <p>i) The intention to re-procure health visiting and school nursing services has been in the public domain since August 2016. CCG colleagues have been involved in steps taken thereafter to inform future commissioning intentions. There has been an opportunity to raise any issues or questions regarding procurement, during this time.</p> <p>A generalised concern regarding safeguarding arrangements had been</p>	Completed. Committee may wish to request an update report on the implementation of the contract.

		<p>with the Herefordshire Safeguarding Children's Board;</p> <ul style="list-style-type: none"> <li>- ii) The provision of services in rural areas;</li> <li>- iii) The requirement for additional detail in the report, in particular the contract specification ; and</li> <li>- iv) A reported lack of communication with the CCG.</li> </ul> <p>requests that, before a decision is taken on the proposal, the cabinet members share additional information with the committee, including the contract specification.</p>	<p>raised by the CCG very recently prior to the scrutiny committee meeting and reassurances were provided to the CCG that discussions to understand the detail would be welcome and these have since been initiated.</p> <p>Issues relating to <i>safeguarding</i> commissioning responsibilities are resolvable through further discussion.</p> <p>There is no requirement to present the commissioning proposal to the Herefordshire Safeguarding Children's Board, because the service will be required to adhere to all national and local policies, guidance, standards and procedures.</p> <p>Further discussion and an agreed way forward have been made with the Chair of the Children's Safeguarding Board, including a request to include reference to safeguarding within this paper (see para 7).</p> <p>ii) It is recognised that there are challenges in delivering timely and accessible services across a rural county and this has been reflected in the draft specification. To respond to those challenges, the provider will be required to ensure that access is available via drop-in sessions (which could be held in any community facility or venue), clinics, home visits, telephone contact, texting and other formats appropriate for the families and community. Broadband</p>

The provider will also be expected to be organised around geographical areas/localities and pragmatically structured in line with local children's centre reach areas. The provider will also identify a named public health nurse link to each GP practice, children's centre and school, in order to facilitate local liaison, information-sharing and joint working in the best interests of families.</p> <p>iii) the draft specifications for the commissioning of 0-25 PH Nursing services and family mentoring services, to which have been added the requested additional detail relating to targets and outcomes and key issues outlined in the JSNA, have been made available, by exemption, to council members of the Children's Scrutiny Committee</p> <p>iv) This concern is not accepted and a summary of engagement activity is provided below:</p> <ul style="list-style-type: none"> <li>• Representatives from the CCG have been engaged since August 2016 when CCG requirements were reviewed;</li> <li>• a public online survey was launched</li> </ul>
