

COUNCILLOR QUESTIONS TO GENERAL SCRUTINY COMMITTEE – 9 April 2018

Question 1

Councillor CA Gandy

Volunteer run rural Community Libraries particularly for our most vulnerable residents in rural communities are a life line with 43,622 visitors in 2017.

I seek assurance that none of the proposals will impact negatively on community libraries who rely upon the Herefordshire Council library for support and if outsourced what influence the local member will have in decisions taken which may impact negatively upon their local community library.
