Step D	Assessment	Positive impact
Step E	Consultations	N/A
Step F	Conclusions	<p>The proposals are intended to benefit the overall community, by allowing longer duration stays on-street in the city centre, if required. There are resident concerns of any impact on Castle Street and St Ethelbert Street, but these proposals do not revert to the preceding arrangement of selective free parking in these roads.</p> <p>The proposals would have no impact on Blue badge holders, who in accordance with national legislation retain exemptions from certain parking restrictions.</p>
