

# Herefordshire Public Green Spaces Community Grant

## Application form

***Please read these notes and the information leaflet before completing the application form.***

~It is important to complete the application form carefully, as it will be used to assess your proposal.

Please ensure that you answer **every** question.

**This application form is available electronically upon request or on the council website at [www.herefordshire.gov.uk/grants](http://www.herefordshire.gov.uk/grants).**

Please keep a copy of the form if you are successful, as you will need to refer to it when reporting on the progress of your project.

When we initially assess your application we will check:

- If you meet the applicant criteria (see information leaflet)
- If the project is eligible for a grant
- The financial information supplied supports your application
- That you have two quotes (where applicable) to support your application

If we are satisfied that your application meets all the specified criteria, it will then be independently appraised.

We aim to process applications within four weeks from the deadline submission date (see information leaflet for date), so please be aware that difficulties may arise if the project is due to start in a very short space of time.

Should your application be successful and a grant is awarded, general terms and conditions will apply to your grant offer. If you wish to see a copy of these before submitting your application, please contact the council's delegated grants team.

If you require help or guidance to complete the application form, please contact the delegated grants team on 01432 260753 or [delegatedgrants@herefordshire.gov.uk](mailto:delegatedgrants@herefordshire.gov.uk).
