Subject: RE:- regarding Llanerchycoed Music and Alcohol License Mon-Sun in and outdoors
Date: 14 November 2018 10:45:25

Dear Sir,

We wish to add our objection to the above. Horrified such a license would even be considered. Are unaware that Mr and Mrs Smolas had already been given a license to 11pm.

The loud "music" that we already hear is very disturbing and upsetting particularly to the stock, and is an unsuitable site being next to Little Mountain Nature Reserve.

Kind Regards.....

Bette and Joli Smith
