

Public questions to adults and wellbeing scrutiny committee - 29 January 2019

Question

Paul Symonds, Ross-on-Wye

Would the committee consider building into its work programme the review and scrutiny of the decision by Wye Valley NHS Trust to close a number of Minor Injury Units in the county?

Response

Councillor PA Andrews, chairperson of the adults and wellbeing scrutiny committee

Thank you for your question. The scrutiny committee is responsible for setting its own work programme and shall have regard to the resources and time available. Therefore, this suggestion will be considered as part of agenda item 9, committee work programme.

For background information, a briefing note issued by Wye Valley NHS Trust and Herefordshire Clinical Commissioning Group is included in the agenda supplement.
