<b>Decision made:</b>	To prosecute the defendant for littering offences under section 87 of the environmental protection act 1990.
<b>Reasons for decision:</b>	<p>Information was received that household waste has been dumped in the bin store (and not in the bins) and around one of the flats. The officer visited the area and found the bins were over flowing and numerous bags dumped in the bin store along with bags dumped around one of the flats. The defendant was spoken to and stated that she had taken around 20 bags to the bin store and filled the bins they left the remaining on the floor. In regard to the waste around the flat the defendant said that as a single parent she did not have time to take the rubbish bins out.</p> <p>Officer issued a fixed penalty notice but it was not paid. The defendant was invited for interview but failed to attend.</p> <p>The evidential test is met in this instance as there is an officer statement and a number of photographs.</p> <p>The public interest test is met due to the nature and circumstances of this matter namely:</p> <p>(i) If legal proceedings are not instigated, then it is likely that he will repeat offend; and</p> <p>(ii) A prosecution would have a significant impact on maintaining community confidence and should act as a deterrent to others who may be contemplating similar actions,</p>
