

HEREFORDSHIRE COUNCIL
LICENCING SECTION
8 ST. OWEN STREET.

27 FEB 2019

26th Feb. 2019

Dear Sirs,

I understand that an application has been made by Dr N. Wheeler of Meredith Farm, for a permanent sale of alcohol licence.

Please note, that when this site opened, it just appeared, no local residents were told. This location is not miles from anywhere, it has residents all around.

The site is a nightmare of screaming, shouting and people climbing over fences. We have already had a large, rowdy party going on until 03.30 in the morning and only shut down after I threatened to call the Police. The site owner made no effort to control matters, whatever. This site is seriously out of control.

I have no objection to the sale of a few low-alcohol lagers on a hot summer's day, just not full-strength booze.

Are you sure that you want to grant a licence to a clearly unsuitable location

Yours Sincerely
