<b>Consultation:</b>	Acting Assistant Director Highways and Transport
<b>Decision made:</b>	To authorise the making of a Temporary Suspension of a One-Way Restriction Order served under section 14(1) of the Road Traffic Regulation Act 1984 to require a temporary suspension of the U81013 Moorfield Street, Hereford, Herefordshire. The Order shall come into effect on the 14 <sup>th</sup> July 2019 and is planned to be in effect for 1 day.
<b>Reasons for decision:</b>	To enable Welsh Water to carry out new water connection works within the highway, for which purpose the Council, as highway authority, consider the suspension of the road is required due to the likelihood of danger to highway users while the said works are being carried out.
<b>Highlight any associated risks/finance/legal/equality considerations:</b>	Localised disruption on highway network will be mitigated applying this restriction and carrying out the works in one day on a Sunday.
<b>Details of any alternative options considered and rejected:</b>	Not to introduce a temporary suspension of the road; but there would then be operational difficulties in the said works being carried out, and/or would result in a longer period of disruption. In addition, there would be a greater risk to users of the highway and possible claims against the highway authority as a result.
<b>Details of any declarations of interest made:</b>	None

I am an officer delegated to make the decision
