

Councillors' questions at Cabinet – 25 July 2019

Question 1

Councillor Roger Phillips, Arrow Ward

To: cabinet member, infrastructure and transport

The Lawton Crossroad is a significant accident black spot in north Herefordshire and Cllr Bowen and myself have been working with officers of the council, Balfour Beatty, local parish councils and communities to design a suitable measure to reduce the risk.

Can the Cabinet member give us the reassurance that the creation of this innovative roundabout solution will be undertaken in the present financial year?

Response

Yes, I am pleased to confirm that this scheme is part of the 2019/20 Annual Plan.
