

Record of officer decision

Decision title:	To make provisional Tree Preservation Order 619 Gorsley Common Road, Gorsley
Date of decision:	08/08/2019
Decision maker:	Principal Natural Environment Officer, Built & Natural Environment
Authority for delegated decision:	EP Scheme of Delegation and the functions scheme of the constitution: ' <i>Powers relating to the protection of important hedgerows and preservation of trees</i> '.
Ward:	Penyard
Consultation:	Consultation with the ward member.
Decision made:	To serve a provisional TPO
Reasons for decision:	The trees have high public amenity value and are at potential risk from development. It is therefore considered expedient to create the order as a precautionary measure.
Highlight any associated risks/finance/legal/equality considerations:	The proposals have due regard to our public sector equality duty. There are no health and safety implications or other risks. This is because the owner of the trees is responsible for them, including monitoring their condition and undertaking any works required on safety grounds.
Details of any alternative options considered and rejected:	Not to serve a TPO has been considered and is viewed unacceptable because the trees have amenity value and are worthy of conservation.
Details of any declarations of interest made:	None
