Ward:	Leominster South
Consultation:	None
Decision made:	To authorise the making of a Temporary Road Closure Order served under section 14(1) of the Road Traffic Regulation Act 1984 to require a temporary closure on the U93608, Passa Lane, Leominster, from junction with Ryelands Road then southwards for 400 metres, planned to be effective for a period of 4 days commencing on the 18th of November 2019.
Reasons for decision:	To enable Western Power to carry out underground cable installation works within the highway, for which purpose the Council, as highway authority, consider the closure of the road is required due to the likelihood of danger to highway users while the said works are being carried out. Nothing in this decision will render it unlawful to gain pedestrian access to any land or premises having a frontage to the said highway affected where there is no other suitable form of access.
Highlight any associated risks/finance/legal/equality considerations:	Localised disruption on highway network which will be mitigated using diversion route signage and closure period to be kept at shortest possible duration.
Details of any alternative options considered and rejected:	Not to introduce a temporary closure of the road; but there would then be operational difficulties in the said works being carried out, and/or would result in a longer period of disruption. In addition, there would be a greater risk to users of the highway and possible claims against the highway authority as a result.
Details of any declarations of interest made:	None
