12	01432820603	1PCO THE MARSH CROSS KEYS HEREFORD HR1 3NT	Object	Analysis on Ofcom site indicates good mobile coverage Within walking distance of a number of historical road traffic collisions. K6 kiosk
13	01432830200	PCO1 CANON PYON HEREFORD HR4 8NY	Object	Pyons Group Parish Council object on basis that the kiosk is in an area with poor mobile reception and is opposite the parish hall which has a public access defibrillator on the external wall. The parish council feels the ability to contact emergency services via the kiosk near the defibrillator fulfils an important social need, and so the kiosk service should be retained.
14	01432830249	PCO PCO1 KINGS PYON HEREFORD HR4 8PS	Object	Pyons Group Parish Council -There is a "social need" for the retention of the kiosk service at Kings Pyon: The kiosk is used by a vulnerable member of the public to keep in contact with their family using inbound calls (which explains the low number of outbound calls recorded); and there is no reliable mobile signal in the village at present, so in an emergency it is one sure method of contacting the emergency services.
