Reasons for decision:	To enable the Gilpin 2020 Launch Event to take place, for which purpose the Council, as highway authority, consider the closure of the road is required due to the likelihood of danger to highway users while the said event is taking place.
Highlight any associated risks/finance/legal/equality considerations:	Local disruption on highway network which will be managed by the event organiser and appropriate signage.
Details of any alternative options considered and rejected:	Not to introduce a temporary closure of the road; but there would then be operational difficulties in the said event taking place, and/or would result in a longer period of disruption. In addition, there would be a greater risk to users of the highway and possible claims against the highway authority as a result
