Having assessed the above application, I would like to make the following representation:

Representation	Industry Guidance
PREVENTION OF CRIME & DISORDER	N/A
PUBLIC SAFETY	N/A
PREVENTION OF PUBLIC NUISANCE Please see my representation to the earlier consultation ,dated 30/7/19, i.e. I request these additional conditions -  Noise or vibration shall not emanate from the premises so as to cause a nuisance.  The Premises Licence Holder or DPS must immediately comply with any request to adjust noise levels/ frequency spectra made by an 'authorised person' (as defined by Section 13 of the Licensing Act 2003) or the Police. These still remain appropriate . I understand that the applicant has agreed with their inclusion. It might be helpful to confirm that this is still the case
