Recommendation(s)

THAT:

- (a) the draft work programme as set out at appendix 1 to the report be approved, subject to any amendments the committee wishes to make;**
- (b) the committee considers establishing a task and finish group on waste management strategic review to undertake the work outlined in the draft scoping statement (Appendix 2 to the report) and confirming the membership; and**
- (c) the committee determines any other matter in relation to the appointment of task and finish groups their chairmanship and any special responsibility allowance or the undertaking of a spotlight review.**

Alternative options

- 1 It is for the committee to determine its work programme to reflect the priorities facing Herefordshire. The committee needs to be selective and ensure that the work programme is focused, realistic and deliverable within existing resources.

Key considerations

Draft work programme

- 2 The work programme needs to focus on the key issues of concern and be manageable. It must also be ready to accommodate urgent items or matters that have been called-in.
- 3 Should committee members become aware of any issue they think should be considered by the Committee they are invited to discuss the matter with the Chairman and the statutory scrutiny officer.
- 4 The draft work programme is attached at appendix 1.
- 5 The Committee on 23 July authorised the statutory scrutiny officer, following consultation with the chairperson and vice-chairperson, to add items to the work programme where it is necessary to ensure their timely consideration where there is no scheduled meeting to approve their inclusion.

Constitutional Matters

Task and Finish Groups

- 6 A scrutiny committee may appoint a task and finish group for any scrutiny activity within the committee's agreed work programme. A committee may determine to undertake a task and finish activity itself as a spotlight review where such an activity may be undertaken in a single session; the procedure rules relating to task and finish groups will apply in these circumstances.
- 7 The relevant scrutiny committee will approve the scope of the activity to be undertaken, the membership, chairman, timeframe, desired outcomes and what will not be included in the work. A task and finish group will be composed of a least 2 members of the committee, other councillors (nominees to be sought from group leaders with un-affiliated members also invited to express their interest in sitting on the group) and may include, as appropriate, co-opted people with specialist knowledge or expertise to support the task. In appointing a chairman of a task and finish group the committee will also determine, having regard to the advice of the council's monitoring officer and statutory scrutiny officer, whether the scope of the activity is such as to attract a special responsibility allowance.
- 8 The Committee is asked to determine any matters relating to the appointment of a task and finish group and the chairmanship and any special responsibility allowance or undertaking a spotlight review including co-option (see below).

Request to establish a task and finish group - Waste Management Strategic Review

- 9 The Cabinet Member – commissioning, procurement and assets has invited the committee to consider establishing a task and finish group to undertake a strategic review of waste management. A draft scoping statement and additional background information is attached at appendix 2.

- 10 A review of the waste disposal contract is included within the work programme. Members of the Committee did informally discuss in July how this work might be undertaken and the consensus was not to establish a task and finish group.
- 11 Since that time a scrutiny/executive protocol has been developed and this provides for Cabinet members to invite the scrutiny committees to consider items – for example, to undertake pre-decision scrutiny, a spotlight review or task and finish group.
- 12 The protocol provides that the executive should not try to exercise control over the work of the scrutiny committee. The executive cannot 'order' scrutiny to look at, or not look at, certain issues. It can, and should, however, seek to influence the work programmes of the scrutiny committees.
- 13 The Committee is accordingly invited to consider the cabinet member's invitation.

Co-option

- 14 A scrutiny committee may co-opt a maximum of two non-voting people as and when required, for example for a particular meeting or to join a task and finish group. Any such co-optees will be agreed by the committee having reference to the agreed workplan and/or task and finish group membership.
- 15 The Committee is asked to consider whether it wishes to exercise this power in respect of any matters in the work programme.

Tracking of recommendations made by the committee

- 16 A schedule of recommendations and action in response is attached at appendix 2.

Forward plan

- 17 The constitution states that scrutiny committees should consider the forward plan as the chief source of information regarding forthcoming key decisions. Forthcoming decisions can be viewed under the forthcoming decisions link on the council's website:

Suggestions for scrutiny from members of the public

- 18 Suggestions for scrutiny are invited from members of the public through the council's website, accessible through the link below. Any suggestions received are referenced in Appendix 2.

Community impact

- 19 The topics selected for scrutiny should have regard to what matters to residents.

Equality duty

- 20 The topics selected need to have regard for equality and human rights issues.

Resource implications

21 The costs of the work of the committee will have to be met within existing resources. It should be noted the costs of running scrutiny will be subject to an assessment to support appropriate processes.

Legal implications

22 The council is required to deliver an overview and scrutiny function.

Risk management

23

Risk/opportunity	Mitigation
There is a reputational risk to the council if the overview and scrutiny function does not operate effectively.	The arrangements for the development of the work programme should help mitigate this risk.

Consultees

24 The work programme is reviewed at every committee meeting. The Chairman and statutory scrutiny officer also review the work programme.
