

TRO Scheme 72 – Lower Bullingham response Summary

David Hepworth Parking Enforcement Manager	Dear Will No objections from the councils parking enforcement section, only comment is that blue badge holders would be able to park on the double yellow lines for up to 3 hours. If this could be a problem consider introducing a restriction on loading / unloading. Many thanks Dave
Ian Connolly Traffic Management Advisor Warwickshire Police & West Mercia Police	I refer to your letter dated 13th August 2019 and attached documents forming the initial consultation in respect of the proposal to introduce section of Prohibition of Waiting on Windsor Rd, Lower Bullingham, Hereford as shown on the plan sent with the e-mail. I have examined the proposals and visited the location on Wednesday 21st August to see it first hand and have discussed the proposals with the relevant local policing team. We have been made aware of parking problems at this location, and I feel that what is proposed will resolve the issues being reported so can confirm I have no objection to these proposals.
David Summers Cllr (Ward Councillor)	Hi Will. I understand this will include double yellow lines as discussed at the site visit as I suggested at the time you have my full support. Regards David Summers Cllr
