<b>Decision made:</b>	The Relocation of disabled parking spaces in Maylord Car Park be approved at a cost of £1,040. This is to be funded from existing capital programme allocation approved to be spent on car park improvements, including at Maylord.
<b>Reasons for decision:</b>	Following a review by the Health and Safety team it has been decided that the current position of the disabled parking spaces are too far from the exit facilities.  Four spaces will be relocated to the Eastern side of the car park and therefore be closer to the pedestrian lifts and stairwells.  The councils approved contractor will be appointed to deliver the changes.
