Decision title:	Decision to increase spend on High Town “Pop Up” Power Units.
Date of decision:	20 th March 2020
Decision maker:	Acting Assistant Director for Technical Services
Authority for delegated decision:	<p>This decision is to apply for the spend of the budget as agreed by the key decision made on 25th July 2019 (Report Ref: Property Services Estates Capital Programme 2019/20) http://hc-modgov:9070/ieDecisionDetails.aspx?ID=6126</p> <p>Decision to spend from the 2018/19 Corporate Accommodation Capital Budget and the Property Services Estates Capital Programme 2019/20 made on 12th September 2019) (Report Ref: Capital Spend 19-20 Estates Enhancement Budget Hi Town Pop Ups) http://hc-modgov:9070/ieDecisionDetails.aspx?ID=6403</p>
Ward:	Hereford Ward
Consultation:	Property Services: Strategic Capital Finance Manager and Strategic Property Services Manager.
Decision made:	To authorise further spend of not more than £3k from the £500k Property Estates Enhancements Works element of the Property Services Estates Capital Programme 2019/20.
Reasons for decision:	Various remedial works and upgrades were required following the EICR (Electrical Installation Condition Report) on the High Town “Pop Up” Power Units and funds were allocated. During these works it has become apparent that the manhole covers over the “Pop Ups” are in need of replacement.
Highlight any associated risks/finance/legal/equality considerations:	The works will not be completed within the 2019/2020 financial year but soon after.
Details of any alternative options considered and rejected:	Do nothing – this is not an option as without the repairs the units would be unsecure and difficult to use.
Details of any declarations of interest made:	None
