### Motion

(Proposed by Councillor Jim Kenyon, Seconded by Councillor Jonathan Lester)

We ask that the temporary infrastructure measures brought in across the county to encourage cycling and walking be debated at the full Council meeting on 4 August 2020 and in light of the debate the executive is asked to reconsider its decision to implement the temporary measures.

#### *Reason for urgency*

*As the changes to the road network may have an adverse effect on the day to day activities of businesses and residents it is important that this matter is debated at the next council meeting.*
