

Record of officer decision

Decision title:	Section 228 Highway Act 1980 – Adoption of part of Yazor Brook Cycleway, Hereford
Date of decision:	11 August 2020
Decision maker:	Acting Assistant Director Highways & Transport / Head of Infrastructure Delivery
Authority for delegated decision:	Directorate scheme of delegation: updated 29 July 2020 Directorate: Economy and Place, section 76. To act on behalf of the council in respect of the legislation specified in the foregoing: To enter into agreements pursuant to Section 38 and Section 278 of the Highways Act 1980, issue permissions under Section 184 and display notices under Section 228, including the power to determine the terms and conditions of the above.
Ward:	Widemarsh
Consultation:	N/A
Decision made:	To adopt the named cycleway under Section 228 of the Highways Act 1980. Notices to be posted on site to facilitate the adoption of the above roads as highways maintainable at public expense. In the event of objections being received, further Governance will be sought.
Reasons for decision:	To secure adopted publicly maintained highway works constructed to the proper standards for the benefit of the community
Highlight any associated risks/finance/legal/equality considerations:	The section of cycleway and verge will need to be maintained from the existing Public Realm budget, it is noted that this area is already being maintained from this budget, due to uncertainty over ownership
Details of any alternative options considered and rejected:	Leave the section of cycleway and verge as private, unadopted land. This will leave a “gap” in an important section of the strategic cycle/walking network in Hereford City, and as such this option should be rejected
Details of any declarations of interest made:	N/A

I am an officer delegated to make the decision
