LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

1. Only experienced managers will oversee these shifts. These managers have been trained in conflict resolution.
2. A minimum of 2 managers are to work between 23:00-05:00.
3. There are historic good links with the local police that will help with communication of any issues.
4. CCTV coverage includes 31 HD cameras inside and outside the building covering all areas, complete with HD controller.
5. All shift managers are trained to operate the CCTV system and record the information on to a USB should it be required by the police.
6. Travel paths are completed by the management every hour.
7. Litter patrols are completed every hour by a member of staff supervised by management.

b) The prevention of crime and disorder

Only experienced managers will oversee these shifts. These managers have been trained in conflict resolution.
A minimum of 2 managers are to work between 23:00-05:00.
There are historic good links with the local police that will help with communication of any issues.
The restaurant will be risk assessed over this period and the outcome of the assessments incorporated into the shift patterns and responsibilities as appropriate.

c) Public safety

There is a CCTV monitor on the front counter as an aid to making customers aware they are being recorded.
CCTV records are kept for 31 days.
The restaurant has a history of good links with the local police that was established prior to the change of ownership.
COVID operating practices currently dictate limiting the number of customers either entering or dining in the restaurant.
This is controlled and monitored by the shift manager.

d) The prevention of public nuisance

Managers complete external hourly travel paths and would pick up litter but equally there is a hourly litter patrol completed by a member of staff and supervised by a manager.
The management team are prepared to assist with the litter patrols in local hot spots in the vicinity of the restaurant should the need arise.
Permanent notices will be placed at the customer order point in the drive-thru lane and at strategic points around the car park to raise awareness of reducing noise levels at night out of respect for our neighbours.

e) The protection of children from harm

Local police station details are kept on display in the managers office.
All managers and key staff on shift are first aid trained.
(As a general rule children are not being served at this time of day/night and if they are they are with their parents/guardians)
