Consultation:	Not applicable
Decision made:	To authorise the making of a Temporary Speed Restriction Order served under section 14(1) of the Road Traffic Regulation Act 1984 to require a temporary speed restriction on Chapel Road, Rotherwas, planned to be effective for a period of 4 months commencing on the 11 th February, 2021. The temporary speed restriction will be 30mph.
Reasons for decision:	To enable Western Power to slow traffic through a shuttle lane whilst carrying out HV & LV cable installation within the highway, for which purpose the Council, as highway authority, consider the speed restriction of the road is required due to the likelihood of danger to highway users while the said works are being carried out.
Highlight any associated risks/finance/legal/equality considerations:	Not Applicable
Details of any alternative options considered and rejected:	Not to introduce a temporary speed restriction on the road; but there would then be operational difficulties in the said works being carried out, and/or would result in a longer period of disruption. In addition, there would be a greater risk to users of the highway and possible claims against the highway authority as a result.
Details of any declarations of interest made:	None
