Decision title:	To make provisional Tree Preservation Order 642 The White House Bodenham
Date of decision:	24/9/2020
Decision maker:	Service Manager, Built & Natural Environment
Authority for delegated decision:	Directorate scheme of delegation: updated 30 July 2020 Directorate - Economy and Place, section 71: ' <i>Powers relating to the protection of important hedgerows and preservation of trees</i> '.
Ward:	Hampton
Consultation:	Consultation with the ward member.
Decision made:	To serve a provisional TPO
Reasons for decision:	The tree has high public amenity value and is at risk of removal. It is therefore considered expedient to create the order as a precautionary measure.
Highlight any associated risks/finance/legal/equality considerations:	The proposals have due regard to our public sector equality duty. There are no health and safety implications or other risks. This is because the owner of the tree is responsible for it, including monitoring its condition and undertaking any works required on safety grounds.
Details of any alternative options considered and rejected:	Not to serve a TPO has been considered and is viewed unacceptable because the tree has amenity value and is worthy of conservation.
Details of any declarations of interest made:	None
