

## **Amendment (1) – High Court Judgement relating to Children and Families**

**Proposer: Councillor Phillip Howells**

**Seconder: Councillor ...**

**Received – 7.13 p.m. 26 April 2021**

*To add recommendation (i):*

Given the lack of firm recommendations for Councillors to approve for the next steps from here following the Family Court Judgment, we would like to propose that the Leader commissions a firm and clear action plan with action ownership and timescales to be presented to an extraordinary meeting of the Children and young people scrutiny committee to be held no later than 28<sup>th</sup> May 2021 for discussion and to make recommendations to full Council.
