Richard Jennings

Dear Mr Jennings

**Licensing Act 2003
Talbot Hotel, New Street, Ledbury, HR8 2DX – PR00363**

Following my visit to your premises last weekend and the excessive noise which I witnessed, caused by your band, I have since looked at the plan for your premises.

I have to inform you that, nowhere on the plan does it show the courtyard, where the band were playing. As a result the play of music within that area is not authorised and must cease immediately.

I must advise you that should a further breach occur then the offence of carrying on an unlicenable activity would be committed, which on summary conviction carries up to 6 months imprisonment and/or an unlimited fine.

I am unable to discuss this matter further with you as you are not the premises licence holder.

Yours sincerely,

PRINCIPAL LICENSING OFFICER
