Purpose

The purpose of this report is to enable the committee to provide independent assurance on the adequacy of the risk management framework together with the internal control of the financial reporting and annual governance processes by considering the head of internal audit's annual report and opinion, and the level of assurance it gives over the council's corporate governance arrangements.

Recommendation(s)

That:

- a) The committee note the report and consider the assurance provided by the annual opinion report.**

Alternative options

1. There are no alternative recommendations. This summary of the findings of internal audit and the opinion are not matters which the committee may alter.

Key considerations

2. The annual report is required to ensure that the committee is informed of the internal audit work undertaken in 2022/23.

3. The report provides an overall opinion, reached in light of the work undertaken, on the adequacy and effectiveness of the council's governance, risk management and control processes. The work of internal audit supports the annual governance statement and action plan.
4. Sufficient internal audit work has been carried out to enable the head of internal audit to draw a reasonable conclusion about the adequacy and effectiveness of the council's risk management, control and governance processes.
5. In the opinion of the head of internal audit, and having considered the balance of audit work, the assurance levels provided and outcomes together with the response from senior management and the audit and governance committee, the head of internal audit can offer 'reasonable assurance' in respect of the areas reviewed during the year. The control framework is adequate and controls to mitigate key risks are generally operating effectively, although some controls need to improve to ensure business objectives are met. Where this is the case, there has been a positive response to ensuring that action is taken to improve the adequacy of controls.

Community impact

6. The council's code of corporate governance commits the council to managing risks and performance through robust internal control and strong public financial management and to implementing good practices in transparency, reporting, and audit to deliver effective accountability. By ensuring robust management responses to identified risks, the council will be better able to meet its corporate plan priority to secure better services, quality of life and value for money.

Environmental impact

7. Herefordshire Council provides and purchases a wide range of services for the people of Herefordshire. Together with partner organisations in the private, public and voluntary sectors we share a strong commitment to improving our environmental sustainability, achieving carbon neutrality and to protect and enhance Herefordshire's outstanding natural environment.
8. Whilst this is a decision on back office functions and will have minimal environmental impacts, consideration has been made to minimise waste and resource use in line with the council's Environmental Policy.

Equality duty

9. Under section 149 of the Equality Act 2010, the 'general duty' on public authorities is set out as follows:

A public authority must, in the exercise of its functions, have due regard to the need to –

 - a) eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under this Act;
 - b) advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it;
 - c) foster good relations between persons who share a relevant protected characteristic and persons who do not share it.
10. The public sector equality duty (specific duty) requires us to consider how we can positively contribute to the advancement of equality and good relations and demonstrate that we are paying 'due regard' in our decision making in the design of policies and in the delivery of

services. As this is an annual opinion report, we do not believe that it will have an impact on our equality duty.

Resource implications

11. None arising from the recommendations; any additional recommendations made by the committee will be considered by the relevant manager or cabinet member and the financial implications of accepting those recommendations will be considered then.

Legal implications

12. Section 5 of the Accounts and Audit Regulations 2015 require the council to undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account public sector internal auditing standards or guidance.
13. It is a function of this committee, under 3.5.10 (a) of the council's constitution to consider the head of internal audit's annual report and opinion, and the level of assurance it can give over the council's corporate governance arrangements.

Risk management

14. Risks identified by internal audit are mitigated by actions proposed by management in response. Progress on implementation of agreed actions is reported to this committee every six months.
