Decision made:	<ul style="list-style-type: none"> - Grant a Licence to Occupy to Vital Energi for use of 1/3 of Grafton Depot Park and Cycle Carpark as a secure site compound for a duration of 12 months.
Reasons for decision:	<ul style="list-style-type: none"> - Vital Energi approached the Council to use 1/3 of the carpark as a site compound for their activities installing energy conservation upgrades to the ambulance hub adjacent. - Use of the Council's carpark is the optimal location for Vital Energi to service the ambulance hub. - The compound will be secure and separate from the carpark. - Vital Energi to make-good any damage caused to the carpark. - The cycle and ride scheme is to be unaffected.
Highlight any associated risks/finance/legal/equality considerations:	None.
Details of any alternative options considered and rejected:	<ul style="list-style-type: none"> - Space in the Ambulance Hub is extremely limited due to it being a 'live' site requiring access for emergency vehicles 24hrs a day and so it is not suitable for a site compound to be located there. - Other sites were considered but presented greater limitations.
