Equality Considerations	<p>Under section 149 of the Equality Act 2010, the 'general duty' on public authorities is set out as follows: A public authority must, in the exercise of its functions, have due regard to the need to –</p> <ul style="list-style-type: none"> (a) eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under this Act; (b) advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it; (c) foster good relations between persons who share a relevant protected characteristic and persons who do not share it.

	<p>The public sector equality duty (specific duty) requires us to consider how we can positively contribute to the advancement of equality and good relations, and demonstrate that we are paying 'due regard' in our decision making in the design of policies and in the delivery of services. Our providers will be made aware of their contractual requirements in regards to equality legislation.</p> <p>The proposed capital maintenance schemes have given due consideration to equality issues particularly in relation to disability.</p>
<p>Highlight any associated risks/finance/legal/equality considerations:</p>	<p>By not carrying out the Building Fabric Improvements, the Ross Swimming Pool is at risk of incurring further maintenance requirements, potentially costing the Council further money. There is also a health and safety risk associated with not carrying out these works.</p> <p>There is a risk that once on site, further works are identified that was not previously apparent.</p> <p>A contingency has been allowed to cover unforeseen elements once the works commence. Should this contingency be insufficient then a further officer decision will be required.</p> <p>The expenditure outlined in this officer decision exceeds the original budget by up to £10k, however, this will be sufficiently covered by the underspends on other project within this line in the Capital programme.</p>
<p>Details of any alternative options considered and rejected:</p>	<p>Do nothing. This is not recommended as the risk of the works not being completed means that the health and safety risk associated with the continued existence of the building remains.</p> <p>Not to appoint. This is not recommended, SC Joseph, have been selected through a competitive tendering process.</p>
<p>Details of any declarations of interest made:</p>	<p>None.</p>
